Part IV **Supplemental Information.** Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Schedule I, Part I, Line 2 - The following provides an overview of monitoring for the use of grant funds: 1. A Notice of Grant Award (NOA) form is submitted which outlines the objective(s) of planned activities, documentation required and expected results. Once submitted, each NOA is subject to a two-step review process with the final NOA approval by committee assembled for document review purposes. 2. A budget narrative is prepared for each local CASA program. The budget narrative lists planned expenditures, budget balance and any budget anticipated to be unspent. 3. A quarterly report is also mandated by the state and focuses on data collection relevant to dollars spent targeted for specific populations. 4. Requests for Reimbursement (RFR) are submitted by each local CASA program for funds expended during the prior month or months. A budget summary is included in each RFR showing the approved budget numbers by category, spend by category, and budget balance by category. Each entry must be supported by invoices, contracts, MOUs, brief description, etc. Each entry is reviewed by NV CASA personnel for compliance with proper category assignment, brief description of each expense and supporting documentation. NV CASA personnel then review the RFR against each local program's approved budget and NOA prior to final approval by the review committee. Once this process is complete, a check is prepared and monies are reimbursed from NV CASA to the local program. Additionally, all local programs were required to provide a written report highlighting performance of grant performance goals.
